Mira:

What if she had said yes? What then? You would have started a new relationship with somebody where you were going to lie to them?

Justin:

I might have dated her, but I would have just explained to her what was going on and how things were.

Mira:

That you were a porn addict?

Justin:

Yes. I've already told several people at work that I'm a porn addict.

Mira:

Did you tell them about the incest porn?

Justin:

No.

Mira:

Did you tell them about the child porn?

Justin:

No.

Mira:

Did you tell them about the rape stuff?

Justin:

No.

Mira:

So I don't understand what you told them.

Justin:

I've told them that I was looking at pornography and lying about it for the entire time we were in a relationship.

Mira:

Okay. Do you think-

Justin:

I didn't get too much into detail.

Mira:

Do you think it might be important for somebody that you're in a relationship with in the future to know about the child porn?

Justin:

Hundred percent.

Mira:

Do you think it might be important for them to know about the rape stuff?

Justin:

Yes.

Mira:

About the fact that you had sex with me when I didn't want you to?

Justin:

Yes, I do think that's important.

Mira:

And you're going to tell somebody that?

Justin:

Yes, absolutely. It's probably going to be one of the first things I say to somebody if I'm actually going to be in a relationship or dating them. Even dating.

Mira:

What about fantasizing about your own kid?

Justin:

Yes.

Mira:

You're going to tell somebody about that?

Justin:

Yes, I am. For fuck's sake, yes.

Mira:

And of course, you didn't talk to your therapist about it. Why didn't you talk to your therapist about it?

Justin:

Just because I wanted it to not be real. As soon as one other person on the planet knew about it, it had to actually have happened.

Justin:

I can talk to my therapist now. The real concern about talking about it with anyone is that it would somehow get back to you. I know I've told you directly so.

Mira:

Exactly how would talking to her therapist have gotten back to me? Your therapist is your therapist. They're not going to talk to me.

Justin:

I don't trust them.

Mira:

Okay.

Justin:

My obsession with keeping my faults from you is so deep that I couldn't risk it.

Female: Mira:

Why would you lie to Brian and I for the last like three years?

Male: Justin:

Has it been that long?

Female: Mira:

Yeah, it's been three years.

Male: Justin:

Because I wanted to be able to be in this relationship for those three years.

Female: Mira:

So you manipulated us into being in relationship with you for three years ...

Male: Justin:

Yeah.

Female: Mira:

... so that you could achieve an orgasm every few months.

Male: Justin:

Yeah, I guess so.

Female: Mira:

Did you look for incest stuff? What about in the erotic stuff that you said that you looked up?

Male: Justin:

I mean, yes, I did.

Female: Mira:

What kinds of erotic stuff did you look up?

Male: Justin:

Orgies and sometimes family members that were adults.

Female: Mira:

So by the time you started a relationship with Brian, a romantic and sexual relationship with Brian, you were already lying to him?

Male: Justin:

Yes.

Female: Mira:

And you continued to lie me? So you've been lying to me effectively the entire time that we've had our 20, almost 22, year relationship? I mean, that's what you're telling me. Is that not correct?

Male: Justin:

I think prior to our separation, there was quite a long time where I wasn't lying about anything. Maybe, I don't know, a year or more.

Female: Mira:

Year or more, where you weren't lying out of 22?

Male: Justin:

Probably.

Female: Mira:

That's an accurate statement, about a year or more?

Male: Justin:

I'm guessing that's an accurate statement.

Female: Mira:

Before you went back to porn again?

Male: Justin:

I am guessing that's an accurate statement, yes.

Mira:

You do remember the dog, right?

Justin:

Yes.

Mira:

Did you ever tell Brian what happened with the dog?

Justin:

No, I don't think so.

Mira:

Did you ever hear from Justin what happened about the dog?

Brian:

I don't [inaudible 00:00:15] from Justin, but...

Justin:

I don't think I ever talked to him about it.

Mira:

I mean, you masturbated using our soft tub. Right?

Justin:

Yes.

Mira:

And that was around the same time that you... And correct me if I'm wrong here, because again, I'm going to talk to my therapist on Tuesday about all of this, because I'm going to have to. I'm actually going to call and see if I can get a longer appointment. Tried to perform oral sex on the dog twice?

Justin:

It was one time.

Mira:

And he didn't seem into it.

Justin:

Correct.

Justin:

12, yes.

Mira:

You've looked at child porn.

Justin:

Yes.

Mira:

And-

Justin:

I was much younger then. For some reason I thought that it was pretty equivalent in age to me, and I don't know why. It was wrong.

Mira:

I mean, you were in your early 20s. You were an adult.

Justin:

But I've been looking at porn since I was six years old, and I felt very sexual at that time. But yes, it was wrong. I shouldn't have done that.
