

12/19 So we just did a  
Christmas Advent Calendar for the  
20th since it's now after midnight  
It is going to be awfully  
hard to be ready for Christmas in  
time. Christmas Day is Sunday.  
I have an early shift on Friday  
then, I'm off till the following  
Wednesday which is so cool. Unfortunately  
It is so almost here... we're  
very anxious.

Also we've been so sick and so  
busy we've barely had any sex. I've  
had to attack him the last 2 times  
out of desperation while she's been  
asleep. She estimates she hasn't  
had an orgasm in 2 weeks. This is  
a very long spell for us.

Still haven't heard back about  
what we're going to do as far as  
interviews for our leads. I

Monday  
guess  
I can  
they  
next  
at the  
Van  
plot  
of ex  
but  
sheep of  
I didn't  
/only a  
to get  
The man  
they didn't  
and are  
less em  
guess.  
getting  
Garry

6/18 I got Fez and finished  
left off it today. I even got the  
and credits, there's still 32 cubes to  
go but I know I won't get all  
of them unless I read some forums.

Mom slept through our check in.  
I just finished my new walking Dead  
comic. Now I'm writing in my  
journal.

Kathryn really wanted to vote to get  
the sprinklers moved today at the HOA  
meeting. Unfortunately no one else wants  
to. This means that the subject will  
not even be coming up in meetings unless  
she can justify it at this point.

June 5 really did a good job responding  
to her and getting back underway.  
Thank goodness we can see people actually  
helping out.

I guess I'm going to go until the  
doggies and probably jump my sleeping wife. She  
dozed off over the blanket with no buttons on.

1/12 I'm pretty tired. She is  
asleep. I might need to have my way  
with her anyway. I don't know, I think  
I'm coming down with a flu so I might  
just need to get my sleep.

I'm supposed to go see Django with  
Brian and his buddies tomorrow. I hope I'm  
up for it, I'm pretty tired...  
I guess I'll rest cracked and go to  
sleep now.

6/11 Went to Paradox's today for the DT  
sitting. It was pretty sweet. Bowling was embarrassing  
course but people went easy on me. I'm just really  
bad at bowling.

Mira has been turned on today, she is interested in  
thinking about me fucking her. Might have to do with my  
having sex with her last night while she was asleep. I  
assume she wants to have me for White's mate so I'm  
going now.

Work again tomorrow. Mira is still coughing and  
sore throat. So Arco I only have a sore throat

9/12 Yep. 100 year flood yadda yadda.  
It's very late. I've been drinking like it's the  
end of the world. I have no idea if ~~it~~ it's  
even working tomorrow so I'd better get to sleep.

Pretty tired. I think I'm going to have the Sex through  
for real now is going to be asleep for it.

10/21 I have so much more to say than I  
can write right now

Samantha is very angry at me for losing my temper  
at Vangel. She can't be comfortable with me when I'm  
going to be so emotionally disturbed, unpredictable.

Mimi is not the only person I need to worry  
about. Sorry, with me at this point.

I stayed up and apologized to Samantha this  
morning. It's 5:30, I'm going to sleep now.
