12-19 so we just did a Cthulhu advent calendar for the 20th since it is now after midnight. It is going to be awfully hard to be ready for Christmas in time. Christmas day is Sunday. I have an early shift on Saturday, then I'm off til the following Wednesday which is so cool. Unfortunately it is so almost here... we're very anxious. Also, we've been sick and so busy we've barely had sex. I've had to attack Mira the last two times out of desperation while she's been asleep. She estimates she hasn't had an orgasm in 2 weeks. This is a very long spell for us. Still haven't heard back about what we're going to do as far as interviews for our leads

6-18 I got Fez and finished half of it today. I even got the end credits, there's still 32 cubes to go but I know I won't get all of them unless I read some forums. Mira slept through our check-in. I just finished my walking dead comic. Now I'm writing in my journal. Kathryn really wanted to fight to get the sprinklers moved today at the HOA meeting. Unfortunately no one else wants to. This means that the subject will not even be coming up in meetings unless she can justify it at this point. James really did a good job responding to her and getting back under way. Thank goodness we can actually see people helping out. I guess I'm going to go walk the dogs and probably jump my sleeping wife. She dozed off over the blanket with no bottoms on 🍑

1-2 I'm pretty tired. Mira is asleep. I might need to have my way with her anyway. I don't know, I think I'm coming down with a flu so I might just need to get my sleep. I'm supposed to go see Django with Brian and his buddies tomorrow. I hope I'm up for it. I'm pretty tired... I guess I'll read cracked and go to sleep now.

6-11 I went to Boondocks today for the DT outing. It was pretty sweet. Bowling was embarrassing of course but people went easy on me. I'm just really bad at bowling. Mira has been turned on today she is interested in/thinking about me fucking her. May have to do with me having sex with her last night when she was asleep. I assume she wants to have me now while she's asleep so I'm going now. Work again tomorrow. Mira is still coughing and sore though. So far I only have a sore throat

9-12 Yep. 100 year flood. Yadda yadda. It's very late. I've been drinking like it's the end of the world. I have no idea if I'm even working tomorrow so I'd better get to sleep. Pretty tired. I think I'm going to have sex though, too bad Mira is going to be asleep for it.

10-21 I have so much more to say than I can write right now. Samantha is very mad at me for losing my temper at Vanyel. She can't be comfortable with me when I'm going to be so emotionally disturbed, unpredictable. Mira is not the only person I need to worry about staying
